

EBX Certification Brochure Program For Individuals

Objectives

Customers using the EBX product often need the services of partners of Orchestra Networks to build their EBX applications.

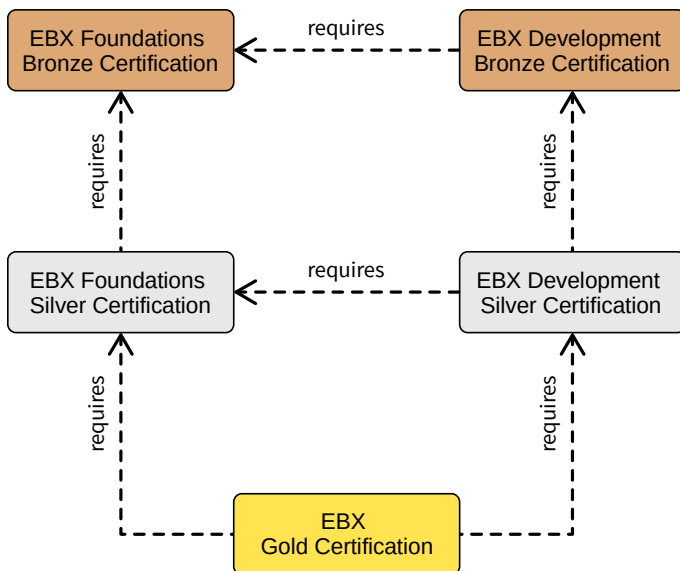

This brochure describes a certification program intended to let:

- A customer trust selected knowledge and skills of a partner,
- A partner highlight selected knowledge and skills to a customer.

This program is composed of certifications which can be taken by an employee of a partner, willing to be candidate.

The selected knowledge and skills span according to the level and the content domain of the considered certification.

Certifications

Process

To take a certification, a candidate has to follow these steps:

1. Browsing the certification website for information.
2. Selecting a test date and location in the website calendar.
3. Registering for this test using the website registration form.
4. Preparing thoroughly the test in the entire content domain.
5. Taking the test at the chosen date and location.
6. Receiving the test result within 1 week following the test.
7. If passed, receiving the certificate attached to the test result.
8. If failed, retaking a test after a delay of at least 1 month.

Confidentiality

- Orchestra Networks may not publish any test result of a candidate to anyone, unless authorized by the candidate.
- A candidate may publish any of his test results to anyone, in particular to any customer.
- Anyone, in particular any customer, may request Orchestra Networks to authenticate any test result of a candidate.
